Fulton County Juvenile Court Resource Guide Disclaimer:

This guide is intended to provide a quick resource for families who need mental health, behavior, education, developmental disabilities and/or other services but does not cover all of the community services available. It was not designed to exclude any service provider; however, it does not include all services and all providers in or outside of Fulton County. Only programs that indicate approval by the Fulton County Juvenile Court Probation Division or Fulton County Department of Family and Children Services have been vetted and verified as having an official relationship with the respective agency.

The information was originally gathered by Sunny Rhymer, Legal Extern with the Truancy Intervention Project Georgia through Georgia State University School of Law’s Externship Program with input from Fulton County DFCS, Fulton County Juvenile Court Probation Division and The Office of the Child Attorney in the Spring of 2014.

The resource guide will be updated periodically.
Program Goals:

- To promote the physical, emotional, and mental well-being of Children and families;
- To enhance parents’ ability to create a safe, stable and nurturing home environment that promotes healthy child development;
- To empower families to achieve and sustain self-sufficiency by developing healthy relationships, support systems and resources;
- To aid in the prevention of child abuse, juvenile delinquency and educational failure.
